## NINETEENTH SUNDAY OF ORDINARY TIME

### From Fr. Bill:

I hope that all in this parish and their loved ones are doing well. The numbers returning to Mass are encouraging. We are not seeing as many people as we did pre-pandemic, but there is progress! Hopefully, more and more people will get vaccinated to prevent the Delta variant from becoming more prominent resulting in a renewal of restrictions and a lessening of individuals/families worshipping with us. Those who have received their vaccinations can help with that by encouraging unvaccinated family members and friends (who are eligible) to be vaccinated to ensure that we are all able to be with each other safely.

Over the past weekend, I was approached by individuals stating that they, who are sitting in the MASKED section of the church, are worried by the presence of UNMASKED individuals in the pews on that side of the church. I ask that, in light of the concerns brought forward by the presence of the Delta variant, unmasked individuals sit in the pews designated for unmasked parishioners. I know that this is one more inconvenience added to a year and a half of inconveniences, but it would bring peace of mind to some fellow parishioners.

May we all continue to make progress in journeying into a far better future for us all. Through the grace of God, we will go forward having experienced this past year. Hopefully, we will work to ensure that we truly are all in this together.

Thank you & Be well & Be safe

**2021 Schedule of Archdiocesan Collections**

Continuing this year, 2021, the Archdiocese has revamped its schedule of collections. The purpose of this project is multi fold. By combing the many "second collections" into specific groups, it streamlines the administration, time, and process of each collection, thereby making the most of each dollar. This also serves to cut down on the number of "scheduled second collections" which has been a problem in the past whenever a "special collection" – such as hurricane relief- had to be added.

In order to comply with these guidelines, St Joseph Parish will be following the schedule listed below:

**Monthly- First weekend each month**

**September 19- Clergy Health & Retirement Trust**

**October 3- Holy Father & Missionary Efforts**

Special Collection Sunday, Holy Father (Peter's Pence), Catholic University of America

**October 24- World Mission Sunday**

**November 21 - Collection for Retired Religious Sisters**

**December 25- Christmas Collection- Clergy Health & Retirement Trust**

Hopefully not having as many scheduled second collections, and having the dates/information in advance, has helped you to be able to budget for whatever you are able to give. We do ask that you keep in mind: the collections that are now added into one group, will be split between the listed-formerly separate collections. We ask you be aware of this when making your donation.

Thank you as always for your support.

Fr. Bill

**CATHOLIC APPEAL**

The theme of this year's appeal is that WE ARE A TEAM. We are all in this together. If one person is lifted up, we are all better off.

Our assessed goal for 2021 is \$26,139. As of July 29, we have paid or pledged 28,195. This means that we are at 108% of our goal! If we exceed the noted goal, the parish will receive a rebate which we have done over the past several years. I know that these are extraordinarily difficult times in which many in the parish community have suffered greatly from the pandemic and related economic struggles. I just ask that those who are able to contribute to become involved in the appeal. You will be helping your parish (which will have to make up the difference between monies collected and the goal if we do not achieve our assessed amount) and the larger Catholic community in the Archdiocese of Boston. Pledge cards have been distributed at mass. If you have not received an envelope at Mass or by mail, please contact the rectory. Your completed forms may be returned to the rectory or placed in the offertory boxes at the front door of the church. You may also donate to the Boston Catholic Appeal at [bostoncatholicappeal.org](http://bostoncatholicappeal.org). If you pledge on line, please indicate that you are a parishioner of St. Joseph Parish, Malden (#248). A video about this year's appeal may also be viewed via that site. Donations of any size will be most appreciated. We will reach our goal if we all work together. THANK YOU!!!

Fr. Bill
